11. About Seminar

Purpose of organization of Seminar :Now a days, topics like IPR & RM have gained wide attention globally due to their role in development of sense of creation and belongingness. To undertake any research activity it is necessary to follow some methodology and understand the terms incorporated. Whatever findings are obtained or new creations are obtained they need to be protected by IPR. Purpose of this Seminar is to make available a common platform for participants and experts to have fruitful discussions on the topic and inspire the budding scientists.

Chief Guest Dr. D. J. Salunkhe explained the importance of three I, s i. e. Innovation, Invention and Incubation.

Resource Persons

Dr. P. A. Bansode in IInd session gave very informative talk on IPR. He explained the meaning of IPR, different types of intellectual property rights viz. Patents, Copy Right, Trade Marks, Industrial Designs, Geographical indications, Plant Varieties and Semiconductor Integrated Circuit Designs. He explained the importance and process of patent filing. He told the career opportunities in the field of IPR.

Dr. Amar Dhere also delivered an informative talk on Research Methodology. He explained the whole process right from Problem design search in literature, use obtained data to obtain results and conclusion, He stressed on ethical issues to be considered to become a good researcher.

Delegates interacted with Resource Persons by asking the queries they had and became satisfied.

12. Outcome :

Since most of the delegates were young teachers and PG students, this seminar had inspired them to do needful and genuine research. Delegates understood the importance of filing the patent or protection of the intellectual property.

Delegates expressed their satisfaction over theme, resource persons, hospitality and management

About Sanstha

Shriram Shikshan Sanstha came into existence with motto **॥ नृ णे माता तृती । यथासिद्धिं सिद्धा ॥** in the year 1991. The Shriram Shikshan Sanstha's visionary founder Ex. MLA Hon. Late Mr. Shamrao Patil has established this Sanstha with vision to cater educational needs of people in the rural area. After that under the leadership of Mr. Prakash Patil and Mrs. Shrilekha Paatil various educational streams have been established under one umbrella for multidimensional development of students. It started initially with Shriram Vidyalaya in 1999 to make available school education for Students in Panly & around. After that by identifying local & global needs various professional & traditional institutes have been established. Shriram English Medium School (2000), College of Pharmacy (2006), Shriram Institute of Information Tech. (2008), Shriram Institute of Engineering & Tech. (Poly) (2008), Shriram College of Agriculture & Allied colleges (2013), Shriram Mahila Vidyan Mahavidyalaya (2014) & Shriram Institute of Nursing (ANM/GNM) (2022). Along with traditional education, by adopting skill based education & effective use of modern technology to make students globally competent, Shriram Shikshan Sanstha has paved a path for quality education to our beloved stake holders-students..

About College

Identifying the need to empower the women in this region, sanstha started a Shriram Mahila Vidyan Mahavidyalaya, affiliated to SNDT University, Mumbai with 31 girl students. At present about 400 girls are studying in B.Sc. & M.Sc. Programs. College provides all the facilities needed for curricular, co-curricular & extracurricular activities. In sports and cultural activities our college has got various awards and prizes in SNDT University. It is one of the best college in solapur district dedicated for women education. Under the guidance of President Hon. Prakash Patil & Mentor Hon. Mrs. Shrilekha Paatil, In-charge Principal Mr. Vinod Babar is striving to bring name and fame to the college by implementing various student centric activities.

About Department :

Department of Chemistry is started in year 2016 with well-equipped classrooms & laboratories. To make available facility of PG learning, M.Sc. (Analytical chemistry) program was started in the year 2020. Since its inception, Dept. is keen to implement various curricular, co-curricular and extra-curricular activities for holistic development of students. Along with curricular teaching, students are exposed to experiential learning viz. internship in chemical industries, educational tours and research products. The learning outcomes are excellent. During the year 2021-22 our student Aparna Dattatray Sappal secured first rank in M. Sc. (Analytical Chemistry) in SNDT University, Mumbai and obtained **Gold Medal**. From this year, two short-term add-on certificate courses entitled ' Certificate course in Safety awareness in Chemical Laboratories & Industry ' and ' Certificate course in Sericulture ' have been started for B.Sc. I and M.Sc. I students to enhance their job potential.

Subtopics of the seminar :

1. IPR Act
2. Patents filing
3. Research Methodology - Design of Problem & process.
4. Ethics in research
5. Paper writing & presentation

Resource Persons Feedback

Highly excellent crowd of students
you gathered in the State Level
Seminar on IPR & R.M. Happy to know
your future plans about progression of
your college.

Best Luck.

Dr. Amar Dhek

Thanks for inviting me as Resource Person for
State level Workshop on Intellectual Property Right
(IPR) and Research Methodology and providing
opportunity to interact with students. Students were
attentive and highly curious. Nice Infrastructure
and Green & clean campus. Wish a great
Success. With Best complements from ~~Dr. P.A. Bansode~~
