Total number of Participants: 151

Summary of the Event

The Mr. Pravin Buge gave detailed information about the Banking/SSC sector examinations. He stressed on diligent preparation of subjects for automatically good scoring in SSC and Banking exams as well. Reasoning for both exams is quite different. Students have to prepare for reasoning of both these exams separately. The syllabus is different and also there is a difference in difficulty level. For preparation practicing a lot of mocks and watching a few YouTube videos will certainly help.. Preparing for reasoning is easy for both exams. Apart from this Banking GA include majorly current affairs. however SSC GA includes Current Affairs, govt. policies, history, geography, economics, general science etc. So students have to see that preparing SSC GA will cover banking GA as well. However you have to cover a few other topics related to financial current affairs separately for banking.
