

ANNUAL GENDER SENSATISATION ACTION PLAN: 2023-24

Gender sensitization is an important parameter in empowering the women. At SMVM, IQAC has prepared the following Annual Action Plan for the year 2023-24, taking into consideration opinions of the concerned stake holders.

1. Creation of safe, secure and healthy ambience for gender equality.
2. No discrimination on the basis of gender.
3. Organisation of Induction – welcome program for fresher students through participation of senior students.
4. Motivation to every student to participate in cultural and sports activities.
5. Empowerment of students with various job skills to enhance their employability and job potential through short term certificate courses, internship, research projects and experiential learning.
6. Organization of seminar on preparation of competitive examinations.
7. Celebration of commemorative days and national festivals to inculcate value education and our traditions.
8. Celebration of national days of importance like Independence Day, Republic day, Constitution day, Science day etc.
9. Encouragement to students to register themselves as voters by organizing voter registration camp.
10. Organisation of career counseling and placement drives.
11. Imbibe scientific attitude among students through science exhibition, guest lecture and other activities.
12. Organisation of NSS special camp in nearby village to familiarize students with the rural life, to carry out the social work.
13. Organisation of guest lectures of experts on women health and legal matters.
14. Creation of social, environmental and cyber consciousness among the students.
15. Organisation of various competitions to make them fit for living happy and healthy life.
