Strategic Plan

Academic Year 2023-24

VISION:-

- ✓ To be centre of excellence through empowerment of women by providing quality Science education.

MISSION:-

1. To imbibe human values among the students through various activities.
2. To inculcate the scientific temper among the students.
3. To enhance job potential of students through various activities like soft skills development, communication skills development, skill based add-on short-term courses, experiential learning etc.
4. To make students techno-savvy by enabling them to use the upcoming technology like computer, internet, various software's in chemistry.
5. To make students self-sufficient to protect themselves and others through Yoga, Karate, etc. training and organizing awareness camps.
6. To develop social attitude among students.

OBJECTIVES: -

1. To provide educational facilities to the downtrodden students who would have been left out due to financial reasons.
2. To encourage and help the fellow faculty to use advanced teaching aids and ICT tools in their TLP and research endeavor.
3. To provide good facilities of education in basic Sciences.
4. To provide good residential facilities for students.
5. To motivate fellow staff for introduction and institutionalization of the value-added/skill development courses and development of students' employability.

6. To initiate MoUs and collaborations with the external agencies and local stakeholders for qualitative improvement of the college.
7. To suggest the management of the college to provide adequate infrastructural facilities and Financial support where are necessary.
8. To create suitable ambience among the fellow faculty and students through dialogical manner for the student-centric activities and execution of all the IQAC policies.
